President's Message

At our January meeting, Tom Boller, the Bar's legislative consultant provided us with a very interesting discussion of the pending budget problems which will effect our court system.

Across the board cuts in the State budget, together with reduced county budgets are creating dire circumstances for our courts. Tom enlightened us about the Bar's efforts to persuade the General Assembly to spare the judicial branch from any draconian measures. Our State Bar President, Bryan Cavan was present as well and contributed his own insight into these issues.

We very much appreciate both Tom and Bryan taking their time to be with us.

Thank You!!

A very special thank you to **Bryan M Cavan** and **Tom Boller** for a most insightful and entertaining speech at our January 14th luncheon meeting.
